

A**Using this book**

It's a good idea to have a **routine** when you use this book. [something you do often and usually in the same way] For example:

- a **weekly** routine when you study a new unit for **at least** [not less than] 30–45 minutes;
- a **daily** routine when you **revise** that unit. [study it again] You may only need to revise for five or ten minutes each time.

1.1**Over to you**

Write your answers.

1 How often can you spend at least half an hour or forty-five minutes on a unit?

.....

2 How often can you revise? How much time can you spend when you revise? Where will you do it?

.....

B**Studying a new unit**

When you are studying a unit for the first time, you need to be **active** when you are learning.

- With a new word or phrase, **say it aloud** [speak it so you can hear it], and repeat it to yourself **silently** [in your head, not speaking]. If you have the eBook that goes with the book, use it to check the pronunciation.
- Use a **highlighter pen** to mark words you think are important or difficult.
- Write down new words and phrases in your notebook. (See [Unit 2](#) for more information.)
- Always try to write an example sentence for new words. You can choose an example from this book or a dictionary, but an example from your own life will often help you to remember a word, e.g. *I shared a flat with an Australian girl when I was in London last year.*
- Do exercises in pencil, then you can **rub** them **out** (using a **rubber**) and do them again later. This is a good way to revise vocabulary.

1.2**Over to you**

Write your answers.

1 Which of these things do you do now when you are learning vocabulary?

.....

2 What will you do in the future?

.....

C**Revising a unit**

When you are revising a unit one or two days later, it is also important to be as active as possible.

- Test yourself, e.g. look at a word and cover the meaning. Can you remember what the meaning is? If you can't, check the meaning, then come back to the word in five minutes' time and test yourself again.
- Look at what you wrote in your notebook when you first studied the unit. Is there any new information you want to add, e.g. something about the pronunciation, or a common word partner? (See [Unit 2](#).)
- Diagrams may help you to organise some of the vocabulary differently, and help you to remember it.
