Online booking

Many people book their holiday **accommodation**¹ on the Internet. To **book online**², you need to search for your **destination**³ and the dates when you plan to travel. You can look for hotels or **B&Bs**⁴. Often websites have low prices, especially in winter. It is helpful to read the online **reviews**⁵ before you book the accommodation. A popular option for a **weekend break**⁶ is to rent an apartment in an interesting city. But if you want to make life easy, you might like a **package holiday**, which includes the flight, hotel room and sometimes meals.

¹ a place where you stay² to make a reservation using the Internet³ a place where you plan to travel⁴ bed and breakfast: a small hotel where breakfast is included in the price⁵ a description of a hotel, restaurant, etc, written by people who've been there⁶ a short holiday during a weekend

Subject Re: Apartment with mountain view

Dear Irene,

We have arrived at your apartment. We **picked up**¹ the keys from the neighbours without any problems. We like the apartment a lot, but we have a few questions. We can't find the **wi-fi password**². Could you send it to us? Also, the **listing**³ said that there was an **iron**⁴ in the kitchen, but we can't see it. Can you let us know where it is? Finally, it's very cold and we can't find the instructions for the **central heating**⁵. Where do we **switch it on**⁶?

Where's the **nearest** supermarket? And can you **recommend**⁷ a **nearby**⁸ restaurant for dinner? Somewhere cheap would be great!

All the best,
Oliver and Jo
