

A

Pets and farm animals

In the UK, many people **keep pets** [animals that live with people]. The most common are dogs and cats, but people also keep birds, e.g. **parrots**, that are usually in a **cage**. Children sometimes keep **mice** (*sing mouse*) and **rabbits**. Some people keep more unusual animals as pets, e.g. **frogs**, **snakes** and **spiders**.

Farms in the UK may have sheep, pigs, cows, horses, **donkeys**, chickens, **goats** and a **bull**.

B

Wild animals

The pictures show a number of **wild animals** [animals that normally live in natural conditions]. If you are lucky, you may see these animals **in the wild** [living free], but you will probably see them in a **zoo**. Some of these animals, for example tigers, are now quite **rare** [not often seen or found]. It is important that we **protect** [keep safe] these **endangered animals**.

C

Insects

D

Sea creatures

Many different **creatures** [living things, e.g. animals] live in the sea.
